DIARY NOTES

25X1A

DD/S

21 September 1961

1. I spent an hour talking with our personnel recruiters this morning trying to dispel their own feeling of uncertainty and to assist them in answering questions about the Agency which their contacts are likely to ask. I think that it was well received and I expect that it will produce some results.

2. Stan Grogan called to say that a reporter of THE DAILY NEWS had telephoned him to say that he had been told by an Agency official that 350 people had moved into the new building. I told Stan that I didn't see how we could avoid some publicity but assured him that everyone had been cautioned to follow the party line which we had agreed on earlier. H

3. Jim Garrison called to say that Mr. Greenberg of Yale and Towne Manufacturing Company wanted to present the Director with a gold master key to the new building. I told him to have [REDACTED] give me a little note on this and that I would take it up with the Director. H

4. I attended the Career Council Meeting at which [REDACTED], DD/P, was selected for the Senior Seminar in Foreign Policy with [REDACTED] DD/P, as an alternate. [REDACTED] were selected for the Advancement Management Program at Harvard University with [REDACTED] as alternate. [REDACTED], DD/S, was selected for the Air War College, [REDACTED], DD/P, was selected for the Army War College and [REDACTED] DD/S, for the Naval War College. [REDACTED], DD/I, [REDACTED] DD/P, and [REDACTED] DD/I, were selected as alternates for any vacancies in either the Army, Air, or Naval War Colleges.
